

Study Abroad English 100 Verification Form

If you have taken English 100 from an institution other than Cypress or Fullerton College, you will need to obtain equivalency verification by one of the Counselors in our Counseling Office. Please call 1-714-992-7084 or go to the Counseling Office to set an appointment to have your transcript reviewed. Counseling appointments are usually booked one week in advance, so please plan ahead. This form must be completed before you can be considered for participation in the Study Abroad Program. Please bring this form, along with a copy of your transcript to your appointment.

When the form has been completed, please turn in a copy of your transcript along with the completed form to Jackie Evans, Fullerton College Library, Room 823.
