SECURITY EVACUATION BENEFIT

If, as a result of an Occurrence that takes place during an Insured Person's Period of Coverage and while traveling outside his or her Home Country, an Insured Person requires a Security Evacuation, we will pay benefits to Transport the Insured Person to the Nearest Place of Safety. The determination that an Insured Person requires a Security Evacuation must be made by a Designated Security Consultant and all arrangements must be made by Travel Guard.

Benefits will be payable for eligible expenses up to a Maximum of \$100,000. Eligible expenses are for Transportation and Related Costs to the Nearest Place of Safety necessary to ensure the Insured Person's safety and well-being as determined by the Designated Security Consultant. Security Evacuation benefits are payable only once per Occurrence.

Benefits will also be payable for Transportation and Related Costs within 7 days of the Security Evacuation to either of these locations as chosen by the Insured Person: (1) back to the Host Country if return is safe and permitted; or (2) to the Insured Person's Home Country. This benefit is subject to the overall Maximum stated above.

This benefit is subject to the overall Maximum stated above.

Travel Guard must make all arrangements and must authorize all expenses in advance of any benefits being payable. Travel Guard is not responsible for the availability of Transport services. Where a Security Evacuation becomes impractical because of hostile or dangerous conditions, a Designated Security Consultant will endeavor to maintain contact with the Insured Person until a Security Evacuation becomes viable.

Right of Recovery:

If, after a Security Evacuation is completed, it becomes clear that the Insured Person was an active participant in the events that led to an Occurrence, we have the right to recover all Transportation and Related Costs from the Insured Person.
